Re: *Bridgelal, et al. v. NY Renaissance Corp., et al.* (Case No. 15-cv-3571) (ADS) (AKT)

Hon. Judge Spatt and Hon. Judge Tomlinson:

We represent defendants NY Renaissance Corp., Dan Pirvulescu and Monique Delacroix ("Defendants") in the above entitled action. We are writing jointly with Plaintiffs in this action to advise the Court that the parties have reached a settlement in principal last week, and that we are working to draft the settlement paperwork.

As such the parties would respectfully request that the Court stay all activity in this action for thirty (30) days. There are not presently any deadlines that the instant request for a stay would affect. Plaintiffs' motion for conditional certification was fully submitted on May 26, 2016 and is *sub judice*. The parties anticipate that the settlement will be finalized in the next two (2) weeks.

We appreciate Your Honors' time and consideration in this matter and should you need any further information, we are available at the Court's convenience.

Respectfully submitted,

ADELMAN MATZ, P.C.

Sarah M. Matz, Esq.

Request granted. The Court notes that the parties may not file a stipulation of dismissal with prejudice without first submitting a motion for approval of the settlement agreement consistent with the principles outlined in *Cheeks v. Freeport Pancake House, Inc.*, 796 F.3d 199 (2d Cir. 2015).
